Re: iihbonline.com Website
From: Infinity International Health & Beauty Management
To: IHB Distributor

With regards to the iihbonline.com website, this website will no longer be active as of **September 15, 2008**.

Starting Oct. 1, 2008, the new distributor replicating website will be nutracine.com. Also, starting Oct. 1, 2008, the IHB Doctor Directed Skin Care System will no longer be marketed under a Direct Sales (MLM) System. The IHB Doctor Directed Skin Care System will be exclusively reserved for wholesale distribution to salons, medical spas, estheticians, and for foreign export.

We hope this clears up any misunderstanding regarding the new website and the new Nutracine Product Line.

Sincerely,

Michael Domingo
Marketing Director
Infinity International Health & Beauty Management.
